

ROOT STEWARDSHIP

What is Root Stewardship?

Root Stewardship invites a regular monthly (tax-deductible) financial contribution to help cover our operating expenses. Your financial gift grounds and stabilizes our community and preserves our future.

What do Root Stewards do?

Root Stewards send a check each month. The monthly amount is a personal decision. All regularly received financial gifts provide the stability our community needs to grow.

Are you ready to be a Root Steward?

*We invite you to inform us of your personal commitment!
— see back of this insert.*
