

Welcome

**Westwood Neighborhood Council
Community Meeting
December 12, 2007
7:30 – 9:00 PM**

Southwest Community Center
2801 SW Thistle Street, downstairs meeting room

Background:

Beginning in 2008, the Seattle School District will remodel Sealth High School and begin construction of a new Denny Middle School adjacent to the high school. The existing Denny Middle School will be demolished. Decisions about the future of the site of the existing Denny Middle School will take place beginning in 2008.

The Purposes of this Meeting:

- ♣ Provide community members with updated information about the status of the School District construction projects;
- ♣ Initiate a community dialogue about future of the existing Denny site and other publicly-owned properties at the heart of the Westwood neighborhood.
